The Shakespeare Ensemble Compact

By typing my name below before 4pm GMT on Friday, 13th of November, 2020, I indicate my desire to be considered a member of The Shakespeare Ensemble.

The members added to the list by the above method will be considered Governing Members. The Ensemble includes other members who take part in projects and other activities but don't take part in governance-related decision making. Nevertheless the presence and activities of these associate members is vital to the functioning of the Ensemble.

A Governing Member can be added to the list by the consensus of the current Governing Members.

Governing Members agree to the following terms:

1. I will participate in the Ensemble's decision making processes.
2. I agree that decisions will be made by consensus of the members until the Ensemble puts a different method in place (if we choose to do so).
3. My membership will be valid until I communicate to the Ensemble that I no longer desire to be considered a member.

Here are the names of the **members Governing Members** of the Shakespeare Ensemble, in free association according to the terms above:
